Position Title: Maker Buddies

Description

The Maker Buddies program is a support program for children who would benefit from developing 21st century literacies in a small group environment over the summer. Activities will focus on STEAM (Science, Technology, Engineering, Art and Math) skills. This program will take place at select library branch locations.

Expectations and Responsibilities

- Be on time and prepared to participate.
- Act as a positive representative of BPL.
- Follow directions and instructions.
- Perform volunteer duties in a safe and appropriate manner.

Time Commitment

- Must be able to regularly commit to two 1.5 hour sessions per week, during the months of July and August.
- Must be available for training during the first week of July.

Skills / Qualifications

- 14-18 years of age.
- Comfortable working with children ages 6-12 in a leadership role. Experience working with children is an asset.
- Comfortable leading activities that require basic STEAM skills.

Benefits

- Participate in and acquire valuable experience.
- Gain a sense of pride and responsibility in serving the community.

Orientation & Training

All volunteers attend an orientation session that covers volunteer policies and procedures and safety issues. Training will be provided.
