

Burlington Bookmarks Contest: Our Library in 2172

We've changed a lot since 1872! In 2022, we celebrate our 150th birthday, and we'd love your creative help. Imagine what BPL will be like 150 years in the future, and then design a bookmark to show us.

Finalists selected in each age category will have their designs featured on our website for public voting.

- 5 years and under
- 6 to 12 years
- 13 to 17 years
- 18 years and older

Winners will have their design professionally printed and distributed by Burlington Public Library in 2022.

Contest closes February 11, 2022.

Print this form, draw your design, and submit your entry in person at any branch of Burlington Public Library, or submit online at bpl.on.ca/bookmark. One entry per person. By entering, you consent to sharing your first name and last initial, and age category if selected as a finalist. Entrants give Burlington Public Library the right to use their entry for promotional purposes.
