# Board Procedural By-Law Report

## Purpose

To provide notice of the proposed update to the Board Procedural By-law seek the Board's input.

## Background

In 2020, the Board passed the Board's Procedural By-Law. The By-Law was drafted in response to the recommendation of the City Clerk that a procedural By-Law was preferable to the Board's previous Board policy structure to define roles, responsibilities, and the regulation of Board business. The Procedural By-Law was last updated in June 2024.

In accordance with Section 8, Amendments of the By-law, this report is providing Notice of Motion to revision of the By-law as attached for approval at the March Library Board meeting.

## Discussion

As part of the Library Board's annual self-evaluation, the Board identified ensuring that the Board's meeting agenda reflects a strategic versus operational focus as an opportunity area. Staff proposed adding the ability to use of a Consent Agenda to help focus agendas on strategic and governance issues. After comprehensively reviewing the Board By-law, staff are suggesting the following edits:

- Section 5: Board Meetings:
  - Leave of Absence: The additions of guidelines for the request of a leave of absence
  - Voting: The addition of reference to electronic voting outside of regular scheduled meetings to reflect current practice
  - Order of Business: The addition of Land Acknowledgement and Consent Items to the order of business. The inclusion of the Land Acknowledgement is in alignment with work currently underway to review and update BPL's Land Acknowledgement statements to be completed in the spring.
  - Consent Agenda Items: The addition of a section outlining the purpose and process for inclusion of a consent agenda.

The revised draft is attached with the changes highlighted. Pending board feedback, the By-law would come to the March Library Board meeting for approval.

## Financial Considerations

There are no direct financial impacts related to these proposed By-Law revisions.

## Strategic Implications

This work aligns with all three goals within the current strategic plan under:

- Strategic Goal 1: Enhance community well-being, strengthening relations with community partners to support community needs through programming and other library services.
- Strategic Goal 2: Inspire discovery with diverse collections, services, and spaces.
- Strategic Goal 3: Create a workforce culture driven by our organizational values.

## Equity, Diversity & Inclusion Considerations

Strong governance positions the Library Board to ensure that BPL provides equitable service to our customers identifying ways we work to make a positive impact advancing equity, diversity, inclusion, and access within our workforce and in the provision of library services to the community.

## Sustainability Considerations

There is no direct sustainability considerations related to these proposed By-Law revisions.

## Risk Management

It is important that BPL policies and By-Law remain aligned with Board decision-making.

## Final Remarks

The proposed edits ensure that the Board By-Law is updated in a timely manner.

## Report Author(s)

Respectfully submitted: Lita Barrie, CEO

Once the Chair is elected for their term, the Chair will preside over the remainder of the meeting.

The CEO shall introduce the nominee for the Chair position individually and then ask if there are any nominations from the floor for the same position.

Any member of the Board has the right to make nominations from the floor. This can either be a self-nomination for any position - Chair, Vice-Chair or member of a standing committee – or the nomination of someone else.

- Nominations shall be made with no seconder required.
- Nominations shall be closed by a motion made and seconded.
- Voting shall be by secret ballot.
- The nominee receiving a clear majority of the votes cast shall be declared elected by the Chief Executive Officer.
- Should no member receive a clear majority, balloting shall proceed with the nominee's name receiving the smallest number of votes being dropped.

## Order of Business

The CEO, in consultation with the Board Executive, will prepare the meeting agenda. The meeting package containing a meeting agenda, minutes from the previous month's meeting and support documentation for the agenda items will be delivered to board members the Friday prior to meetings.

Any member wishing to place an item on the agenda should submit their request to the CEO or the Chair a minimum of ten days prior to the meeting. Requests will be at the discretion of the Chair.

The order of business for regular meetings will be as follows:

- Convene and confirm the Agenda
- Land Acknowledgement
- Declaration of Conflict of Interest
- Acceptance or correction of previous meeting minutes
- Presentations and/or Delegations
- Consent Items
- Correspondence
- Business arising from minutes
- Decision Items of Business / Reports / Financials
- Discussion Items
- Information Items
- Closed Session Items
- Other Business
- Adjournment
- Future Meetings and Events

## Consent Agenda Items

The Board will make use of the Consent Agenda.

Every board member is responsible for ensuring that they have read the supporting documents relating to Consent Agenda items in advance of the meeting to ensure that due diligence is exercised.

When the Board Executive sets the agenda (in consultation with the staff), they may assign items to the Consent portion of the agenda. Typical consent agenda items are routine, procedural decisions, and decisions that are likely not to require discussion, such as:

- Approval of the minutes
- Final approval of proposals or reports that the Board has been dealing with for some time and all members are familiar with the implications
- Reports provided for information only

Items listed under the consent agenda are adopted in a single motion and the passage of such motion is taken to confirm that all recommendations as proposed in the relevant staff reports are approved. Any board member may request the separation of an item from the consent agenda for discussion purposes prior to the motion to adopt being placed or voted upon.

Typical reasons for this request are that the member wishes to ask a question about a report or wishes to have a vote recorded. However, no justification needs be given and the issue is not debatable. Once a request is made, the item is dealt with as a separate agenda item (either immediately or at a later point in the agenda, at the discretion of the Chair).

## Section 6: Payment of Board Expenses

Citizen appointees shall be paid no salary, fees, or honorarium for their services.

Board members will be reimbursed for travel and other expenses incurred while conducting Board approved business. A request including receipts for all expenses should be submitted to the Chair for approval and to the CEO for reimbursement.

All Board Members are indemnified under the Library's insurance policies.

## Section 7: Budget Process and Monitoring

This section defines the financial statement-reporting schedule to allow the Board to monitor financial performance against the approved budgets and ensure the Library will not incur a deficit as per the Financial Policy.

### Annual Budget Guidelines and Timetable

The annual Operating and Capital budgets will be prepared and submitted within timelines established by the City of Burlington.

### Preparation of Draft Budgets

The CEO will prepare draft capital and operating budgets within budget guidelines provided by the City of Burlington. Any budget requests exceeding guidelines provided by the City will require the submission of a business case. The draft budgets and associated business cases are presented to the Board and once approved by the Board, submitted to the City. Any changes to the submissions that are requested by City staff, Committee or Council at any stage of the process will be considered by the Board and re-submitted to the City for Council approval.

### Delegation to City Council

The Board may decide to delegate to the City when business cases are included in the budget submissions, or to highlight particular needs or successes of the Library during any given budget cycle.

### Amendments to the Budget

Should City Council amend the Board's allocation of City funding, the Board shall accept those changes as required by Section 24.2 of the Public Libraries Act.

### Budget Monitoring

- Q4 (October–December): presented for approval in February.

The financial statements presented to the Burlington Public Library Board will provide a comparison of year-to-date actuals and year-to-date budget, and projected year-end results. Projected year-end results will assume that all budget lines will be spent unless

quantitative objective evidence suggests otherwise.

## Section 8: Amendment of the By-Laws

Amendments to these by-laws may only be made at a regular meeting provided that Notice of Motion in writing shall have been given at the previous meeting. Such amendments shall require a two-thirds majority vote of the Board.

## Section 9: Board Committees and Task Groups

The Board has three standing Committees: The Nominating Committee; the Audit Committee and the CEO Performance Appraisal Committee.

To carry out its business effectively, the Board may appoint various committees and task groups to monitor activity, develop new initiatives or research issues. These committees and task groups will report their findings to the Board for consideration.

The Board shall approve terms of reference for each committee and task group, which determine the size, quorum, composition, and responsibilities. These terms of reference may be amended on the recommendation of the committee or task group with the approval of the Board.

Board committees or task groups will not speak for the Board except when formally given such authority nor are they meant to advise staff or have any authority over staff.

The Board may invite non-board members to participate in the work of its committees and task groups. Officers (i.e. Chair, Secretary, etc.) of the Committees or Task groups will be chosen from Board or staff members.

The Chair of the Board is an ex-officio member of all Committees and Task Groups. The Secretary of the Board (or designate) shall attend all committee meetings and shall be the Secretary of all committees.

### Audit Committee

The Audit Committee oversees the financial reporting process, monitors the choice of accounting policies and monitors internal control procedures to ensure the effective development and maintenance of adequate financial controls and reporting.

The Committee is independent of the auditing function and ensures appropriate actions are taken with audit findings. The Committee has no direct responsibility for the operations and functions of audit areas. It does, however, make recommendations

to the Board regarding both factors. (See Audit Committee Terms of Reference, Appendix A, for further information about the duties and responsibilities of this committee).

## Nominating Committee

The Nominating Committee shall be established annually by the Board at its December meeting to present the slate of officers for the ensuing year at the January Meeting.

Whenever the position of the Chair or Vice-Chair becomes vacant and in December of each year, the Board will appoint a nominating committee to identify candidates interested in serving in the position. The report of the Nominating Committee will be tabled at the next Board Meeting in the event of a mid-year vacancy in the Board Executive or at the January Board meeting for the annual executive election. Before the balloting takes place, nominations from the floor will also be requested verbally, three times, as per parliamentary procedures.

If the balloting results in a tie, the procedure for breaking a tie identified in the Municipal Act will be followed; names of both candidates will be placed in a hat and one name will be drawn.

In a municipal election year, the outgoing Chair of the Board shall appoint the Nominating Committee from among the members of the new Board immediately following the appointment of the new Board by City Council

## CEO Performance Appraisal Committee

The Board is responsible for the annual performance evaluation of the Chief Executive Officer (CEO).

The Board is also responsible for the recruitment and probationary performance appraisal of a new CEO, if needed during the Board term. A CEO Recruitment Committee is only established if and when required.

The Committee to conduct the review or, when needed, recruitment will be composed of the Chair and Vice-Chair of the Burlington Public Library Board plus one additional BPL Board Member and will be appointed at the first meeting of the year following the annual election of the Chair and Vice-Chair. The Committee will follow the CEO Performance Appraisal Committee Terms of Reference and update them as needed.

## Section 10: Board Self-Assessment

A Board self-assessment demonstrates the values of accountability and learning and establishes its credibility not only with the funding agencies, but also with the public served. To monitor how well it is fulfilling its responsibilities, there will be an annual self-assessment carried out by the Board.

### Enhance Community Well-being

### Bookmark Contest

BPL's annual Burlington [Bookmarks Contest](#) is back. Every year, BPL invites residents to break out the crayons and markers and design a bookmark based on a literary theme. This year's the theme is to create a design inspired by your favourite book. Check out [last year's winning bookmarks](#). Entry deadline: February 24, 2025.

## Ontario Election 2025

BPL has added a [page](#) to the Library's website with all the information that voters need to know ahead of the provincial election on February 27.

## Inspire Discovery with Diverse Collections, Services and Spaces

## Black History Month

Throughout the month of February, BPL recognizes and honours the history, heritage, and important contributions of Black Canadians and the Black community. BPL is offering [programs for all ages, engaging booklists](#), and displays at all our branches.

## Aldershot Branch Flood

On February 6, there was a fire in one of the residential units above the branch. As a result, a significant amount of water entered the Library, and the branch was closed for cleanup.

On February 21, Aldershot Branch temporarily reopened at 10 am with limited service, including holds pickup, browsing, community fridge access, Wi-Fi, computers and printing. Library programs at Aldershot Branch have been cancelled for February and March. Due to space limitations, the program room must be used for storage during repairs.

The branch will need to close again to complete the repair work in the coming weeks. We will continue to keep Library customers on future closures through our website and social media channels. Fortunately, the water caused minimal damage to books. We will be communicating with customers whose holds were affected.

## Freedom to Read Week

February 23 to March 1, BPL will be recognizing [Freedom to Read Week](#). Library organizations are joining forces to amplify the week and the importance of intellectual freedom. Thousands of books are challenged around the world every year for political, legal, religious, or moral reasons. Increasingly, we are seeing books removed from schools or libraries because some people consider them inappropriate. Friday, February 7, CBC's Fifth Estate aired [A Shadow War on Libraries](#).

As a library, intellectual freedom is one of BPL's core values. We believe that providing a wide range of materials for people to read and learn from is key to democracy.

## Battle of the Books

[Battle of the Books](#) helps boost children's literacy skills, excites them about reading, and introduces them to new books and authors. It also helps build essential life skills such as good sportsmanship, fair play, and cooperation. 2025 tournament registration closes on February 28. Burlington schools form teams, who will compete for the title of BPL Battle of the Books champions in April. Whether teams win or lose, BPL aims to make sure all participants have a fun and positive experience.

## Community Access Passes

On Monday February 3, BPL launched the revised First Come, First Served model for [Community Access Passes](#):

- 7-day loan period
- Non-holdable
- Non-renewable

This change was in response to the overwhelming interest in this collection. Each branch received an allotted number of passes based on size and circulation. Passes are non-floating, so that the allocation of passes per branch remains consistent. When searching for passes in online, customer will see “Available but not Holdable” displaying for the availability

## Globe & Mail Historical

In celebration of Valentine’s, BPL encouraged customers to discover great love stories in the [Globe & Mail Historical](#) archive.

## Create a Workforce Culture Driven by our Organizational Values

### OLA Super Conference

In January, several BPL staff and Board members attended the 2025 OLA Super Conference. Sessions covered a wide range of topics. Key themes were inclusion, intellectual freedom, cybersecurity and artificial intelligence. As always, the sessions were a showcase of the incredible breath of work happening in public, school, and academic libraries in Ontario and across the country.

### City of Burlington Tariff Task Force

Burlington City Council has formed a Tariff Task Force and released a [Statement](#). Staff are currently working on understanding the potential impact of the proposed tariffs on Library operations and will bring an update to the Board in March. To the extent possible, BPL will seek to align with the City's direction while recognizing that the publishing world is very much a global entity and continuing our vital role in access to information and intellectual freedom.

## 8. Information Items: 8.2 2024 Request for Reconsideration Report

### Recommendation

That the Burlington Public Library Board receive this report for information.

### Background

BPL's Collection Development Policy, approved in March 2024, "recognizes the right of any individual or group to reject library material for personal use but does not grant any individual or group the right to restrict the freedom of others to make use of that same material." If a BPL cardholder objects to materials located in the collection they may be asked to complete a formal written request for reconsideration of materials. Library staff review the request and make decisions in accordance with the Collection Development Policy.

The Collection Development Policy also states that an annual report on challenges to Library materials is provided to the Library Board. This report lists each item that was challenged in 2024 and is being presented during Freedom to Read Week to emphasize the board's role in upholding intellectual freedom.

### Discussion

BPL received one formal request for reconsideration in 2024:

Date	Title	Creator	Collection	Objection/Challenge	Decision
Dec 2024	Taming Seraphine	Gigi Styx	Adult Fiction	Age Inappropriate, Objectionable Content	Retained

Typically, BPL had been receiving 1-3 requests for reconsideration annually. In 2023, that number increased to 4 formally submitted requests. Though not a huge volume, the increase was on trend with what Canadian libraries have been experiencing.

The reduction in formal requests for 2024, coincides with system-wide intellectual freedom training that was provided to all BPL staff. The training empowered staff to engage in conversations with customers about intellectual freedom and respond to questions about BPL's collections and programs using a clear process. This may have resulted in customer questions being answered before leading to a formal request being submitted.

Additionally, BPL has committed to submitting a record of intellectual freedom challenges to the CFE-CFLA/FCAB Canadian Library Challenges Database. The database provides access to challenges libraries have faced to items in their collection, as well as displays, programs, room usage, and computer access. For each challenge, the database provides information about the challenge, including the item, the nature of the objection, and the requested remedy; (where available) the record of the review of the challenged item undertaken by the library; and the library's response. BPL has added 29 entries dating back to 2012.

## Financial Considerations

There are no financial implications associated with this item.

## Strategic Implications

This initiative aligns with the current strategic plan under Strategic Goal 2: Inspire discovery with diverse collections, services, and spaces.

## Equity, Diversity, and Inclusion Considerations

The responsibility to uphold intellectual freedom comes with a complementary responsibility to ensure perspectives that have been traditionally marginalized or excluded are equitably presented in the Library's collections, programs and resources.

## Sustainability Considerations

BPL's Sustainability Plan includes climate change mitigation, adaptation and climate equity considerations. The Request for Reconsideration process recognizes that the use

of Library resources supports a circular economy. Any decisions made can also impact the library's ability to maximize usage and minimize waste.

## Risk Management

Consistent practices and transparent public communication regarding challenges assists in clarifying the values and legal obligations of the Library and may reduce risks to the organization.

## Policy

The Request for Reconsideration process is outlined in BPL's Collection Development Policy and aligns with BPL's Intellectual Freedom Policy.

## Report Authors

Respectfully submitted: Lita Barrie, CEO and Meg Uttangi Matsos, Director, Service Design & Innovation.

### Purpose

To inform the Board of the performance of the endowment funds held by the Burlington Foundation for the period ending December 31, 2024.

### Background

Burlington Public Library is the beneficiary of investment earnings on the following endowment funds held by the Burlington Foundation:

**BPL Permanent Endowment Purpose:** Established in 2008 to provide an ongoing source of revenue to support and enhance library services. The Burlington Public Library provides services, relevant resources, cultural, social, and educational programming that will benefit the community at large.

**Wendy Schick Fund Purpose:** Established in 2010 upon the retirement of CEO/Chief Librarian Wendy Schick to provide scholarships for BPL staff studying librarianship.

**Millicent McEwen Purpose:** Established in 2003 to be used to enhance library services and collections for people in our community with low or no vision through the purchase appropriate technology, equipment, collections, and resources.

**Mae Beatrice Broadbent Purpose:** Established in 2015 to be used for the purchase of large print books.

**Margaret Clay Purpose:** Established in 2019 to the benefit of BPL's media collections.

## Discussion

On an annual basis, the Burlington Foundation issues grant direction forms for each of the endowment funds based on March 31st year end results. When there are funds available to grant, the forms provide the opportunity for Burlington Public Library to:

- Hold the earned income and add it to the next disbursement
- Re-invest the earned income back into capital to grow the fund
- Disburse the earned income for use as outlined for each fund

For the period ending December 31, 2024, the endowment funds have unrealized net investment returns of \$37,780.

## Financial Considerations

The table below shows the YTD balance for each fund:

<b>Fund</b>	<b>Capital Fund Balance 03/31/2024</b>	<b>2024-2025 Unearned Investment Income (loss) &amp; Fees</b>	<b>Fund Balance 12/31/2024</b>
BPL Permanent	\$70,897	\$5,253	\$76,150
Wendy Schick	\$14,087	\$1,045	\$15,132
Millicent McEwen	\$250,289	\$18,545	\$268,835
Mae Beatrice Broadbent	\$118,224	\$8,760	\$126,984
Margaret Clay	\$56,371	\$4,177	\$60,548

## Strategic Implications

The funding made available through these endowment funds supports investment in each of the Strategic Goals in the current strategic plan.

## Equity, Diversity, and Inclusion Considerations

Two endowment funds stipulate that funding is specifically for collections and equipment that support customers with low or no vision.

## Risk Management

The Burlington Foundation manages the investment of these endowment funds as part of a much larger portfolio. The Investment Policy Statement for Burlington Foundation outlines the measures taken to manage risk and ensure compliance with legal and regulatory requirements as found on their website at:

<https://burlingtonfoundation.org/wp-content/uploads/2024/07/burlington-community-foundation-ips-june-2024.pdf>
