

## WiFi Access Policy

### Limitations and Disclosures

The library's wireless network is not secure; we cannot guarantee the safety of your traffic across its wireless network. We do not assume any responsibility for the configurations, security or files on your laptop resulting from connection to the library's network. Information sent to or from your laptop can be captured by anyone else with a wireless device and appropriate software, within up to three hundred feet.

Library staff are not able to provide technical assistance to you, and there is no guarantee that you will be able to make a wireless connection. If you need assistance, please contact the manufacturer of your laptop or software. Burlington Public Library is not responsible for any changes you make to your computer settings.

You must click the I AGREE button to connect to the Library's wireless network from our Internet Policy screen. If you successfully connect, you will be taken to Burlington Public Library's website.
